

Weill Cornell Anesthesiology Adds to Education Leadership

Angela Selzer, MD, is new Assistant Director of Education

July 9, 2014

The Department of Anesthesiology is pleased to announce that, concurrent with her appointment as Instructor of Anesthesiology, **Dr. Angela Selzer** will be appointed as Assistant Director of Education.

Dr. Selzer brings to the position years of training and experience from a prior career in education. Applying this expertise, she has already played a vital role in the highly successful revision of our Education Program. Angela has a special interest in remediation and in the development of metrics to assess the effectiveness of education delivery. In her role, she will work closely with Dr. Kane Pryor, our Director of Education, to bring continued innovation and excellence to the educational mission of the Department.

Dr. Selzer received her undergraduate degree from Oberlin College in Ohio, and her medical degree from Weill Cornell Medical College. She completed her Anesthesiology Residency and a Fellowship in Thoracic and Regional Anesthesiology at NewYork-Presbyterian/Weill Cornell.

Dr. Selzer can be reached at alr2012@med.cornell.edu or 212-746-2745.

Please join me in welcoming Dr. Selzer to her new position.

Hugh C. Hemmings, Jr, MD, PhD, FRCA
Joseph F. Artusio, Jr. Professor and Chair

ABOUT WEILL CORNELL ANESTHESIOLOGY

Founded in 1947, the Weill Cornell Department of Anesthesiology is committed to innovation in

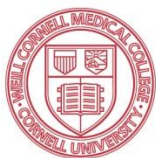

perioperative clinical care to maximize quality and efficiency in anesthesia, pain and critical care, along with discovery and translation of novel therapies and healthcare delivery models in a thriving academic environment. The Department is home to over 75 faculty with expertise in numerous anesthesia subspecialties and holding leadership positions in the major national and international societies and journals. Our anesthesia care team includes 50 Certified Registered Nurse Anesthetists who provide outstanding care in more than 60 anesthetizing locations throughout the medical center and affiliate institutions. Weill Cornell Anesthesiology's education program is highlighted by our highly-regarded residency program with positions for 78 physicians in training, including interns and residents. The Department offers ACGME-approved fellowships in Pain Medicine, Critical Care Medicine, Cardiothoracic Anesthesia, and Obstetric Anesthesia, and additional fellowships in Thoracic Anesthesia, Neuroanesthesia, and Regional Anesthesia. We also have a competitive Van Poznak Research Scholarship to foster the development of physician-scientists during residency training.
