Keith H. Baker, M.D., Ph.D.

Associate Anesthetist of Anesthesiology and Critical Care

Residency Education Director Massachusetts General Hospital

Boston, MA

Location: Weill Cornell Medical College, Conference Room A-950

April 29, 2013

Anesthesia QPI Conference - "Hypoglycemia and Risk of Death in Critically Ill Patients"

Peter Fleischut, M.D.

Assistant Professor of Anesthesiology

Weill Cornell Medical College

Jennifer Sandadi, M.D.

Assistant Professor of Clinical Anesthesiology

Weill Cornell Medical College

Andrew Sosa, M.D.

Resident, Department of Anesthesiology

Weill Cornell Medical College

Location: Weill Cornell Medical College, Conference Room A-950

Statement of Need: Advances in this field need to be presented to Weill Cornell faculty and other physicians on a regular basis as one means of promoting state-of-the-art health care for patients.

Target Audience: Weill-Cornell physicians in [this specialty], other interested physicians and health care providers, and students.

Course Objectives: Weill Cornell CME Activities are intended to lead to improved patient care and safety. By the conclusion of this series, physicians should have a better understanding of recent developments in [this field] which in

turn should lead to improvements in clinical practice.

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to

provide continuing medical education for physicians.

Weill Cornell Medical College designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s) TM. Physicians should only claim credit commensurate with the extent of their participation in the activity It is the policy of Weill Cornell Medical College to adhere to ACCME Essential Areas, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. All disclosures will be made to attendees prior to each presentation WCMC is accessible for individuals with disabilities or special needs. Participants with special needs are requested to contact the Office of CME at 212.746.2631.
