Statement of Need: Advances in this field need to be presented to Weill Cornell faculty and other physicians on a regular basis as one means of promoting state-of-the-art health care for patients. Target Audience: Weill-Cornell physicians in [this specialty], other interested physicians and health care providers, and students. Course Objectives: Weill Cornell CME Activities are intended to lead to improved patient care and safety. By the conclusion of this series, physicians should have a better understanding of recent developments in [*this field*] which in turn should lead to improvements in clinical practice.
