ABOUT WEILL CORNELL ANESTHESIOLOGY

Founded in 1947, the Weill Cornell Department of Anesthesiology is committed to innovation in perioperative clinical care to maximize quality and efficiency in anesthesia, pain and critical care, along with discovery and translation of novel therapies and healthcare delivery models in a thriving academic environment. The Department is home to over 85 faculty with expertise in all major anesthesia subspecialties and holding leadership positions in major national and international societies and journals. Our anesthesia care team includes over 60 Certified Registered Nurse Anesthetists who provide outstanding care in more than 60 anesthetizing locations throughout the medical center and affiliate institutions. Weill Cornell Anesthesiology's education program is highlighted by our highly-regarded residency program with positions for 78 physicians in training. The Department offers ACGME- approved fellowships in Pain Medicine, Critical Care Medicine, Cardiothoracic Anesthesia, and Obstetric Anesthesia, and additional fellowships in Global Health, Thoracic Anesthesia, Neuroanesthesia, and Regional Anesthesia & Acute Pain. We also have a competitive Van Poznak Research Scholarship to foster the development of physician-scientists during residency and fellowship training.
